Medieval Umbria – 8 Days Abbeys and Art in the Apennines

This tour starts in Arezzo with visits to world-famous paintings by Renaissance artist Piero della Francesca, before continuing to a leisurely lunch and olive oil tasting at an organic farm. We stay in the charming town of Anghiari, explore nearby Sansepolcro, and cross from Tuscany into Umbria over the Apennines with beautiful views across both regions. We follow evocative pilgrim trails, once trodden by St Francis of Assisi, to remote churches, a dramatic fortress and a 13th century Benedictine monastery. Itinerary

The walking holiday starts and ends in Arezzo. This is on the train line from both Florence and Rome with regular trains from both cities. Journey time from Florence is approximately 1.5 hours and from Rome 2.5 hours.

Day 1

We meet in Arezzo at 09.00 at the Hotel Continentale, situated on Piazza Guido Monaco, very close to the train station. We start with a guided visit to the San Francesco church to see the world-famous fresco cycle by Piero della Francesca, known as "The Legend of the True Cross". A short drive takes us out of Arezzo to the village of Monterchi, home to another of Piero's masterpieces, "The Madonna del Parto". After visiting this museum, we drive to an organic farm for a leisurely lunch and olive oil tasting. In the afternoon we check into our hotel in the historic centre of Anghiari. Later a gentle stroll takes us through this charming town and we explore a little of the local history. We enjoy an aperitif before dinner in a nearby restaurant.

Day 2

After breakfast we drive to Sansepolcro to experience the town's market and see another celebrated painting by Piero della Francesca. We then head by van to the evocative Franciscan convent and hermitage at Monte Casale. A beautiful hike follows a low ridge of the Alpi della Luna with views across the Tiber Valley. We have our picnic lunch in the hills before returning to Anghiari, where there is time to browse the shops before dinner in a local restaurant. **(6km/3.8miles)**

Day 3

Today we leave Anghiari and a short drive takes us across the border into Umbria. We start our walk high above the town of Citta di Castello and hike through open farmland and woods, passing abandoned stone houses and a dramatic fort where we enjoy our picnic lunch. We continue on foot to arrive at the stunning Abbazia San Faustino, a beautiful small hotel converted from a former abbey with spectacular views over the Umbrian hills. Dinner tonight is in the hotel restaurant. **(17km/11miles)**

Day 4

A leisurely walk in the remote farmland near the Abbey of San Faustino leads us to the historic cellars of a local winemaker. We visit their estate and taste their wines over a light lunch. Time to relax and enjoy the pool and the tranquil setting of Abbazia San Faustino in the afternoon. **(8km/5miles)**

Day 5

We depart San Faustino and a short drive takes us into the foothills of the Apennines. Here we follow trails past remote farmhouses and through woods to arrive at the Basilica of San Ubaldo, perched on a hill above the lovely medieval town of Gubbio. After visiting the Basilica we continue on foot down through the cobbled streets to arrive at our delightful four star hotel in the heart of Gubbio, overlooking the main square. We use this as our base for the final 3 nights of the holiday. Dinner tonight is in a local restaurant. **(19.5km/12miles)**

Day 6

Today a short drive takes us to the thirteenth-century Benedictine abbey of Montelabate, formerly one of the most important abbeys in the region. We enjoy an exclusive guided tour before a light lunch including wine, cheese and olive oil from the estate. Later in the day there is time to explore Gubbio and visit the town's museum displaying the precious Iguvine Tablets which date back to the 3rd century BC. In the evening we experience a unique medieval-style banquet prepared by a local chef in a private country house, a short drive from Gubbio.

Day 7

Our final hike takes us to the Monte Cucco National Park, a short distance from Gubbio. Starting from a high alpine meadow at 1132m we climb up through beautiful beech woods to emerge above the tree line at just above 1400m. We circle the summit of Monte Cucco, enjoying spectacular views across the Umbrian hills and to the coast of Le Marche. We picnic in the alpine meadow before returning, by van, to the hotel. In the early evening we take our seats in the town square for the annual Palio of the Balestra, a celebration of flag-throwing and medieval pageantry, culminating in a crossbow competition between Gubbio and Sansepolcro. Our final dinner is in a fabulous local restaurant. **(6.7km/4.2miles)**

Day 8

Return to Arezzo train station for 11.00 am.

Walking

Shortest day: 6km/3.8 miles

Longest day: 19.5km/12 miles

There are 5 days of walking on the trip and one free day. We walk on strade bianche (gravel roads), on mountain trails, along woodland tracks and quiet tarmac roads. There are some long hiking days but there is always van support with the opportunity to walk a half-day. Most of this part of Umbria is one of rolling hills with some significant ups and downs. The walk on Day 7 is a rugged mountain trail with some exposed sections. Sturdy walking boots, with good ankle support, are recommended. Walking poles would be an advantage, especially on steeper sections.

Weather:

Springtime is a delightful time to walk in central Italy. We are quite high up at times so can take advantage of the cooler temperatures for walking. Max 24° Min 18°. Rainfall 55mm
